

Bi-Monthly Buildings, Grounds/Parks Report

May 6, 2025

- New Employee, Noah Clocksin started March 3rd and right away him and our other new employee Zach Farver were tasked to put new fenders and weld new decking onto our small utility trailer.
- Peter, Zach and Noah took down the old Pal-Mac Little League scoreboard and pulled the post's out of the ground. This was coordinated by Myself, Scott Allen and Chris Powers from PMLL.
- The Backhoe was serviced and 2 new stabilizer cylinders were installed. Peter & Zach
- All 4 of our Scag Zero Turn mowers were serviced and ready to go for mowing season. Noah
- We painted 2 more offices at the Town Hall for the bookkeeper/Accounting Dept. (Samantha and Patty). Myke & Zach
- Tree trimming at Erie St. Cemetery, where needed. Peter, Zach & Noah
- Plow Damage Clean up at the Town Hall and Public Safety Bldg. Myke, Zach & Peter
- Peter and Noah were tasked to build a shelf in the storage/utility room at the Court bldg. as there was things in the way upon doing building inspections.
- Zach went around and picked up tree limbs and branches in Veterans and Canal Parks with the Polaris Ranger.
- Worked on Bullis Annex Trails trimming trees, grooming trails and cleaning up damage from winter. Still not fully completed as there is still much work to be done for the trail system to be clean and safe. We will continue to work on these as we can find time. Myke, Zach, Noah & Peter
- Peter and Noah serviced our ATX 720 Mini Loader

- Attended Defensive Driver Class. Myke, Noah, & Zach. Peter and his wife did it earlier on their own time.
- Fixed lawn and planted a new evergreen tree due to damage done from a concrete truck running it over and doing lawn damage. This was caused from an outside contractor doing work on the radio tower. Myke & Noah
- Fixed bad spots on soccer fields at Bullis Park. Peter & Myke
- Planted 4 trees and installed sod(fresh turf) to complete the new “green space” inside the new playground sports court area per Scott Allen at Gravino Park. Myke, Zach & Noah.
- Bobcat T110 needed new front cylinders and hydraulic line, Peter and Noah performed the work on this.
- Zach and Noah did building inspections.
- Pat Randall(PT) started back 4/14 and he helped get the Bullis Park Bathrooms opened up along with Peter and Noah.
- Pat spot mowed areas around town that needed it as we were getting a later start than previous years.
- We gave the Baseball field a face lift at Gravino Park. It was much needed as it weeds/crabgrass took over the infield clay areas. Pal-Mac Little League ordered, paid for and had new infield mix material delivered and we did the work. Zach & Myke
- Rented a roller to have the parks rolled and coordinated with Chris Countryman to have one of his guys(Daryl Quigley) run the roller.
- 1st town wide mowing of all town properties as the weather finally allowed. Latest in the season since we have had a Parks Dept.

Peter, Pat & Noah
