

Bi-Monthly Buildings, Grounds/Parks Report

July 15, 2025

- Myke, Noah and Zach planted 22 trees(different varieties) along Rt. 31 in front of the new wall(that was completed by the highway dept.) at Gravino Park.
- Peter/Noah did townwide building inspections for May
- Pat, Peter, Noah & Zach were all tasked with townwide mowing/weed whipping at various times.
- We opened up the kayak dock at canal park for the season.
Peter/Pat
- Myke with some assistance from the highway dept. cleaned up old weeping beech tree from Bickford Park. M & S Tree service limbed and cut down the tree as it was much bigger than what I thought we could handle safely.
- Noah/ Peter installed the “patriotic” banners on Rt. 31 Main St. and along Rt. 31F in Macedon Center before Memorial Day.
- Peter/Pat put out flower pots/hanging baskets and tree boxes on Main St.(old village business district.) before Memorial Day.
- Zach and Myke finished Dirt work/topsoiling and seeding at Bullis Park
- We planted new flowers/plants on the corner of Rt. 31 and Rt. 350 and installed new Macedon Erie Canal 200 years banner.
- Myke/Noah Freshened up the Trolley Stop, pruned bushes and trees, weeded, edged and put down new mulch throughout.
- We planted 3 new trees around the new playground area at Gravino Park. We also installed new sod around the perimeter and topsoiled and seeded.
- Pat and Peter installed new shelves at the Town Hall and moved boxes to the “old Village Hall” vault for the clerks office.

- Did townwide building inspections for June, Noah/Zach
- Watered tree boxes/flowers on Main St. and new trees planted at Gravino Park as needed weekly. Noah/Zach
