The Town Supervisor spoke regarding Blue Heron:
Over the past week, the Town of Macedon officers and employees have received many comments and questions regarding humor plans involving the future of the Blue Heron Golf Club. The Town, including its Town Planning and Zoning boards, has never received any applications or been approached or communicated with the Blue Heron Golf club owners or anyone acting on their behalf concerning this or any other matter. The Town’s knowledge of the rumor plans is limited to the publicly available sources that have prompted the public comments, and the town knows nothing more about this than the general public. Until an application involving the Blue Heron Golf Club is pending town review, the town must refrain from commenting on the matter to ensure the fairness and integrity of any such proceedings in the future.
