

**TOWN OF MACEDON  
PLANNING BOARD  
July 6, 2026**

PRESENT: Chairman Greg Whitney, Members Suzanne Airy, Mark Graf, Kevin Rooney, and Doug Allen. Also present was Town Engineer Scott Allen and Board Clerk Stacy Nisbet.

Greg Whitney called the meeting to order at 7:30p.m.

**PUBLIC HEARINGS:**

A motion to waive the reading of the Legal Notice that was placed in the paper was made by Kevin Rooney and seconded by Mark Graf. All in favor; motion approved.

**PB-06-26 – Eaton – Route 350 and Eddy Road** – Realty Subdivision

Motion made by Kevin Rooney to open the public hearing, seconded by Doug Allen. All in favor; motion carried.

No one else was present to speak in favor or against.

Motion made by Doug Allen to close the public hearing, seconded by Suzanne Airy. All in favor; motion carried.

**PB-07-26 – Stapleton – 3184 Canandaigua Road** – Realty Subdivision

Motion made by Kevin Rooney to open the public hearing, seconded by Mark Graf. All in favor; motion carried.

No one else was present to speak in favor or against.

Motion made by Doug Allen to close the public hearing, seconded by Suzanne Airy. All in favor; motion carried.

**PB-08-26 – Oakridge Glen – 1500 Oakridge Lane** – Realty Subdivision

Motion made by Kevin Rooney to open the public hearing, seconded by Mark Graf. All in favor; motion carried.

No one else was present to speak in favor or against.

Motion made by Doug Allen to close the public hearing, seconded by Suzanne Airy. All in favor; motion carried.

## **NEW BUSINESS:**

### **PB-09-26 – Alpco Recycling – 846 Macedon Center Road** – Sketch Plan

Luann Meyer from Barton & Loguidice was present to address the application for Alpco Recycling. The proposed project includes the construction of a 24,000 square foot transfer station building on the existing transfer station property at the Alpco Recycling facility. This would include the addition of a waste shredder to break down the bulky waste prior to transfer offsite to an authorized disposal facility. They also need to increase their tonnage to 150 tons per day of msw (municipal solid waste) and 175 tons per day of C & D (commercial debris). A separate permit has been submitted to the DEC for modification of the existing solid waste permit.

A noise study has been completed, and the results are within the limits. They will get noise easements for properties that are close by, mostly the residence that sits within the property, which was previously subdivided from the business. Trucks will still come in at the existing entrance. They will put in a berm and landscaping to help buffer noise and better the appearance. The facility will be equipped with a sprinkler system. They are required to clear the floor daily.

Doug Allen asked about the noise easement. That will be in place just in case there is some increase in the noise. She does not believe the noise will exceed the current limits.

Greg Whitney asked if there would be need for any further special permitting. They currently have a permit in front of the DEC.

Motion made by Doug Allen to grant sketch plan approval, seconded by Suzanne Airy. All in favor; motion carried.

## **OLD BUSINESS:**

### **PB-06-26 – Eaton – Route 350 and Eddy Road** – Realty Subdivision

Will Seymour, the surveyor was present to address the application. They would like to subdivide the property to create 3 additional parcels to be sold off. One will be sold to one of the neighbors to prevent a house from being built next to them.

Suzanne Airy asked about the perc tests. He said they will work with conventional septic systems.

Motion made by Kevin Rooney to issue a negative declaration on SEQRA, seconded by Doug Allen. All in favor; motion carried.

Motion made by Kevin Rooney to grant subdivision approval, seconded by Mark Graf. All in favor; motion carried.

### **PB-07-26 – Stapleton – 3184 Canandaigua Road** – Realty Subdivision

Cole Papasergi from Marathon Engineering was present to address the application. The owner John Stapleton would like to subdivide the property. One parcel would keep the house and pool and the other parcel will keep the silo and barn. The person who currently resides in the house does not need the silo and barn. There is currently no plan to develop the other parcel.

Motion made by Doug Allen to issue a negative declaration on SEQRA, seconded by Suzanne Airy. All in favor; motion carried.

Motion made by Kevin Rooney to grant subdivision approval, seconded by Doug Allen. All in favor; motion carried.

**PB-08-26 – Oakridge Glen – 1500 Oakridge Lane – Realty Subdivision**

Cole Papasergi from Marathon Engineering and Tim Holland from Stonehaven Development were present to address the application. The Townhomes of Oakridge Glen sits on about 85 acres. They would like to subdivide into 3 sections. Lot 1 represents Section 1 which is complete. Lot B represents Section 2 which is the 2<sup>nd</sup> phase currently underway. Lot C will be the 3<sup>rd</sup> phase. Construction financing has changed over the last few years. Subdividing into 3 lots will allow them to get financing in phases. Town code requires road frontage for the lots so they have been created so Lot B wraps around the front of Lot A so each lot maintains frontage.

Motion made by Doug Allen to issue a negative declaration on SEQRA, seconded by Suzanne Airy. All in favor; motion carried.

Motion made by Doug Allen to grant subdivision approval, seconded by Suzanne Airy. All in favor; motion carried.

**MINUTES:**

Suzanne Airy made a motion to approve the 05/04/26 minutes, seconded by Kevin Rooney. All in favor; motion carried.

**ADJOURNMENT:**

A motion to adjourn the meeting was made by Kevin Rooney, seconded by Suzanne Airy. All in favor; meeting adjourned at 8:06 p.m.

Respectfully submitted,

*Stacy Nisbet*
