The public hearing is now open for public comment, a resident asked he reviewed the water and sewer list once a year. 79 Main St. the old fire hall this property is owned by the town and two sewer units as well as two water units. I suggested that they both be changed to one unit for both. Supervisor Leonard confirmed that had been done and the sewer units went from 792 to 791. So, the savings to the Macedon Tax Payers by moving it from two to one. On the water you save $200 dollars and on the sewer side you are going to save $425 plus on the water bill that you get from WCWSA there is a sewer charge on there and the resident went to the WCWSA to verify that currently that is $120 per quarter to be dropped to $60 that would be additional savings of $240. So total savings in 2027 is $865 dollars.
